In the name of God , the most gracious , the most merciful

Dear artist :

Subject: Sirjan sculpture international symposium

Sirjan municipality has considered to benefit from prominent artists works in national and international fields for beautification of urban spaces and it is holding the first international symposium in June 2023. "Sirjan the city of opportunities " is the motto of this project.

Required and precedence indicators for designing :

1. Handicrafts (kilim carpet global city)
2. Economics (industry and mining , transit and transport and Pistachios)
3. Religious (Dar al Hossein)

Exclusive situations :

The material of symposium works is stone . It will be given totally 2.5 to 3 cubic meter to each artist and stone cutting will be done based on artists' ideas and his selected designs .

Works construction conditions : providing tools including grinding stone ,finger mill , cutting boards , subs and meter tools are taken by the artists. Other items will be provided by the municipality.

Symposium will be held outdoors . Artists should be prepared for seasonal weather conditions like rainy or hot weather .

Artists selection styles : it will be done by limited call and symposium secretariat invitation . It's clear that artists should have at least the experience of three times participation in national or international symposium or owning three stoney made or flitted volum works .

Sending design styles :

designs should be sent in the form of plans or images of maquette via this email address 'symposium@sirjan.ir' by artists till 08/05/2023.

There are no limitations in number of designs .

Artistic resume and the images of at least 3 samples of fitted artists' stone works should be sent.

Completing and sending the form.

Artists award amount :

Artist reward is 2300 dollars which will be paid after finishing . It won't belong to those ones who aren't able to finish the project .

Time of holding : in June 2023 for 20 working days.

Symposium assistants will be chosen among sirjanian artists by symposium secretariat .

Sirjan municipality is in charge of welcoming and housing during symposium.

Sirjan municipality is in charge of transportation costs and preparation too.

We should be grateful if you would participate in this symposium.

Yours sincerely

Ali Akbar Karimi Pour

Mayor of Sirjan
